Sale Terms and Conditions

Terms - Terms of the sale are cash or check payable during or after the sale and before cattle will be released. Cattle will not be transferred until paid in full. Each animal will be at the buyer's risk immediately after the animal is sold. Dakitch Farms will be retaining 1/4 semen interest on each bull selling.

Guarantee - All bulls will be semen tested and examined to be sound and guaranteed breeders. If an animal fails to breed and is reported to seller by August 1, 2015, it may be returned to seller if in good condition and in compliance with Minnesota health regulations. Once the bull has been returned to the seller and confirmed that he is not a breeder, the seller will refund the purchase price.

Absentee Bidding - If you would like to place a bid but are unable to attend the sale, please direct your bid to any of the owners or sale staff. You may also bid online as the sale will be broadcast live on the internet at www.dvauction.com.

Herd Health - All cattle will be sold in compliance with the health laws of the state of Minnesota. Health papers will be provided. Bulls will be tested for genetic defects by request at buyers expense.

Wintering and Delivery - Haul your own bull the day of the sale and receive \$25. Free delivery on purchases of \$4,000 or more to any one location within a 300 mile radius. We will cooperate on trucking expense outside of that area. For any bulls going to Canada, we will deliver to the nearest port of entry at our expense. For your convenience, you may keep your bull at Dakitch farms until April 15th free of charge. After May 1, 2015 a yardage charge of \$3.00 per day will apply.

Registration and Transfer - Registration certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk the proper name and address for making transfers.

Please Note - All persons who attend the sale do so at their own risk. Owners assume no liability, legal or otherwise, for accidents or loss of property that may occur.

Insurance - Available on sale day for those wanting to purchase it. Insurance is available Northland Insurance Joana Friesz 701-843-8744.

Embryo Transfer Program - Just a short note here to advise you about some information on our ET program. Please remember that the calves that are ET calves the way the original ET mama cow does. Therefore, sometimes the performance of an ET calf is not as good as her natural calf is, but the genetics are still there to produce that type of performance.

Sight Unseen Guarantee - call Matthew for details.

Welcome!

It is with great pleasure that we welcome you to our 1st Annual Bull Sale. This is a new event for us here in 2015, but has been 56 years in the making. We can't begin to thank our buyers and friends enough for the continuous support they have given our program over the years. You have allowed us to continue to do what we love and that is to breed sound, functional, and profitable cattle. This past year has been filled with much excitement as we welcomed a new daughter-in-law to the family, Darci, Matthew's wife. She has already made a great impact on our farm and our cattle.

It is exciting to witness the beef industry excel in terms of innovation, market access and most importantly, profitability. It is certainly rewarding to witness an increased value of cattle, considering the hard work and dedication it takes to be a successful rancher. In today's beef market, optimism continues to rise at a fast pace and as rancher it is necessary to maximize profit. When the time comes to sell the calf crop, you want to ensure you are adding every extra pound possible. One of the best ways to guarantee this objective is by using a great bull. Successful bull buying is achieved by selecting strong bulls from reputable breeders. Our bulls are backed by the DaKitch Farms brand that is supported by a 56 year breeding plan built around profitable cattle.

This year our bull pen is more powerful than ever. Regardless of whether you are looking for a Hereford or Angus bull, you will find consistency. To keep the uniformity among the groups, most of the bulls are half to three-quarters brothers. DaKitch Farms guarantees all the bulls in the sale are qualified for breeding and have passed a semen test by a professional veterinarian. If you have any issues with your bull, we will make sure that you are taken care of and your cows get bred.

All of us here at DaKitch Farms are passionate and focused on being in the bull business for the long haul. Rest assured that you can buy with confidence at our sale. If you are unable to join us on sale day, we will offer 100% satisfaction on our sight unseen program. You are more than welcome to stop by and view the bulls prior to the sale, just give us a phone call to set up a visit.

Please join us on March 28, 2015 for Harley Scholl and Wayne Lee's famous grilling and hospitality from the DaKitch Farms crew.

Sincerely,
The Kitchell Family
David, Lorie, Michael and Mason Kitchell

Dominator combines some of the best cow families from TC ranch; the Peg, Pride and Ruby cow families. A maternal sister to Dominator was 2006 ISF Reserve Champion Female. His dam was ISF Champion. Dominator daughters in production have amazing udders and teat size. Super long bodied type of cattle.
